

BULL SHARK DIVING

**DECEMBER TO
FEBRUARY**

**GO diving with “the
Lord of the oceans”**

**Experience a unique
adventure with these
majestic creatures, they
are free in the ocean and
we dive cageless in open
waters**

This dive takes place in Playa del Carmen and offers the incredible opportunity to interact with the bull shark that reaches our waters between the months of December and February. The dive is 75ft / 22mts deep lasting approximately 25 to 35 minutes, all which will take place at the bottom while there is a sharkguide monitoring all the time. On many occasions you can dive with up to 20 sharks and due to their dominant and curious nature this will be an exciting experience full of adrenaline. **This is a safe dive that will be monitored all the time.**

Only for certified divers

**We go out every day from December to February from
12:00pm - 4:00pm (check spaces)**

What do I have to take this adventure?• Diving certification or license.• Biodegradable sunscreen.• Towel.

The expedition includes:

- Ground transportation
